Required and Elective Credits	The minimum graduation requirement is 220 credits, including: • Required courses prescribed by the Ministry of Education (comprising general education courses, professional courses, and practical training courses); and • University-prescribed courses (including required credits and the minimum number of elective credits). For detailed credit requirements, please refer to the Curriculum Standards applicable to the student's year of admission. Students may register for no more than 32 credits per semester during the first, second, and third academic years, and no more than 28 credits per semester during the fourth and fifth academic years.
--------------------------------------	---

Notes

1. These **Graduation Requirements** shall take effect beginning with **Academic Year 2024** and shall apply retroactively to all currently enrolled students and students with extended enrollment in the **Five-Year Junior College Day Program**.
2. Professional certifications related to the Department but not listed in the above table shall be subject to review and approval by the **Department Affairs Meeting**.
3. Only professional certifications **obtained after enrollment** shall be recognized toward the Department's graduation requirements.
4. Students who obtained a **TOEIC score of 500 or above within two (2) years prior to enrollment** are advised to apply for recognition toward the English graduation requirement as soon as possible to avoid the expiration of the certificate's validity period and any resulting impact on their rights and interests. **The final determination shall be subject to the regulations of the University's Language Center.**
5. Prior to graduation, students shall complete **36 hours of on-campus practical training** in accordance with the **Guidelines Governing the On-campus Practical Training Hour Accumulation Card** of the Department.
